Jane S. Brautigam, City Manager Job

FROM: Stephen J. Smith, Law Director

RE: Ordinance Nos. 29-08 and 30-08 Boundary Adjustment Petitions
(The Lorenz Property)

INTRODUCTION:

Daniel E. and Melissa A. Lorenz ("the Petitioners") are the owners of 8.5± acres of land located on the southwest side of Jerome Road (9341 Jerome Road) in Jerome Township, ("the Property"). The Lorenz's, through their attorney Michael Close, approached the City with their desire to annex the property to the City in order to obtain municipal services. On October 16, 2007, attorney Michael Close filed a Majority Owner annexation petition with the Union County Commissioners on behalf of the Petitioners, which was ultimately approved by the Commissioners. Prior to acceptance of the annexation, the City staff, including the Law Department, negotiated a Pre-Annexation Agreement. The Pre-Annexation Agreement was approved by City Council on April 7, 2008 (Resolution 11-08) and City Council accepted the annexation on April 7, 2008 (Ordinance 14-08). The Law Department now requests the authority to petition the Union County Commissioners and the Franklin County Commissioners for a township boundary adjustment in order to remove the Lorenz Property from Jerome Township and place it into Washington Township.

BOUNDARY ADJUSTMENT PETITION:

The City has a policy of ensuring that all City territory is part of Washington Township. This policy is based on the fact that the City and Washington Township have a long-standing relationship for provision of public services, including police, fire and EMS protection. Therefore, after annexation of a parcel in Jerome or Concord Township, the City, through the Law Department, files a petition with the applicable Board of County Commissioners ("Board") to adjust the township boundaries in order to place the annexed parcel in Washington Township. Ohio Revised Code ("R.C.") Section 503.07 provides the authority for the City to file the petition and the County Commissioners to approve the petition. A boundary adjustment petition must be submitted to each Board of County Commissioners whose counties will be affected when the boundary adjustment crosses county lines.

In order to file such a boundary adjustment petition, a vote of the majority of the members of Council to petition the Board for a change of township lines is necessary. The Board, upon

presentation of such petition, with the proceedings of the City Council authenticated, at a regular or adjourned session, shall change the boundaries of the township.

The Lorenz property annexation was effective on May 7, 2008. The City can proceed to petition the Franklin County Commissioners and the Union County Commissioners for a change in township boundary lines pursuant to R.C. §503.07. The Law Department will file the petition after passage of Ordinances 29-08 and 30-08.

CONCLUSION AND RECOMMENDATION:

The Law Department recommends a motion to dispense with the public hearing and approve by emergency action Ordinance Nos. 29-08 and 30-08 at the May 19 Council meeting.
