

Working Committee Remote Meeting (2.1)

Urbancrest Community Plan

Due to COVID-19, in-person meetings are postponed for the foreseeable future. For the time being, all meetings will be held remotely in a two-part format. First, staff will prepare a video presentation that will be uploaded online for the Working Committee's viewing. Second, a conference call will be held for discussion on the video presentation and meeting materials.

The video presentation will be available by March 26. The conference call will be held at a to-be-determined time and date, pending the committee's availability. Following the conference call, please complete the feedback form and mail it back to the Planning Department.

We appreciate your patience and understanding during this time. Questions or concerns can be forwarded to Michael Burris – mburris@franklincountyohio.gov – 614.525.4871.
